Dear Ms. Seidel:

Further to our discussion of February 17, 2011, this communication is to confirm the status of the Petition dated December 22, 2010, for the patent application referenced above. Particularly, Applicants have received two (2) Petition Decisions dated February 14, 2011, which are responsive to the separate Petitions dated January 14, 2011, and January 20, 2011, respectively. A separate Petition Decision has not been received regarding the Petition dated December 22, 2010.

Applicants understand, however, that the Petition dated December 22, 2010, has been acted upon separately and the three (3) referenced documents have been expunged from the record of this application as being inadvertently and erroneously submitted. Applicants therefore respectfully request the Petitions Office to provide a separate written communication to confirm

the Petition dated December 22, 2010, has been acted upon and resulted in the referenced documents being expunged.

Should the Director have any questions regarding this request for confirmation, the Director is invited to contact the attorney of record as noted below.

Applicants do not believe any fee to be due with this request. However, if any additional fee is due, or if any overpayment has been made, the Commissioner is authorized to charge any such fee or credit any overpayment, to our Deposit Account No. 02-4377.

Date: February 17, 2011

Respectfully submitted,
